ABOUT ME

I am Rokkam Vamshi pursuing a Bachelor of Technology in Computer Science and Cybersecurity. Apart from that I am also a Bug Hunter and CTF player. I have been acknowledged by over 80 companies for my contributions to their Security posture. I also have 8 months of professional experience.

PROFESSIONAL EXPERIENCE

Infosec Intern – CybersmithSECURE, Mumbai   **02/2024-09/2024**

- As an Infosec Intern at CybersmithSECURE, I have worked on numerous projects, utilizing my expertise in penetration testing and vulnerability assessment.
- Conducted more than 30+ Web, Network, and API Pentest in a limited time frame with custom code alongside my team.
- Communicated security vulnerability to key stakeholders, including non-technical members.
- During my testing, I have discovered over 50+ Critical and high-severity vulnerabilities, including SQL injections, IDORs, ATOs, unauthorized admin panel access, PII leaks, information disclosure, business logic vulnerabilities, and cross-site scripting.
- Produced professionally written reports on my findings, helping to improve the report writing process. As a team member, I continuously contributed to clients' security posture and developed my skills.

CERTIFICATIONS

- **Junior Penetration Tester [eJPTV2]**
  I have successfully Completed the eLearn Security Junior Penetration Tester Exam from INE with 88%. Check Here
